## Attendance & Collection Policy for Parents/Carers

### **Attendance:**

Good attendance means that children have the best chance of making good, consistent progress in their schoolwork. Berkhampstead expects good attendance from its pupils in order for them to make the most of the opportunities that the school has to offer. We rely on our partnership with parents to ensure that this is achieved. It is the responsibility of parents to notify school of their child's absence on the first day and any subsequent days. Any absence which is known in advance, such as family holidays, **must** be requested in writing to the Head of School beforehand, please email [office@berkhampsteadschool.co.uk](mailto:office@berkhampsteadschool.co.uk). Attendance is monitored carefully to ensure that no children are absent from education due to safeguarding issues. Without permission, absences are classed as unauthorised.

### **Authorised absence can be:**

- Sickness
- Visiting prospective schools
- Urgent medical or dental appointments which cannot be arranged outside school hours
- Days of religious observance
- Holidays with parents - a maximum of 10 days per year authorised by the Head.

### **Unauthorised absence is:**

- Truancy
- Staying at home to look after younger children or sick relatives
- Going shopping or having hair cut
- Any absence which the school has not been informed about in advance, either by mail or telephone
- Any family holiday of more than 10 days (per year).

### **If your child is unwell**

- If your child is unwell please telephone or email the School Office before 9am (01242 523263 – [office@berkhampsteadschool.co.uk](mailto:office@berkhampsteadschool.co.uk)) on the first day of your child's absence.
- If a message has not been received from the parents regarding the absence of a child, the School Office will make contact to ascertain the reason for absence as soon as possible.

### **Pupils will be encouraged to:**

- Attend school regularly
- Inform a member of staff if there is a problem that may lead to absences.

### **Roles and Responsibilities of Parents and Carers:**

- Ensure the child attends school regularly
- Ensure the child attends school punctually
- Inform the school first thing in the morning on the first day of non-attendance
- Discuss planned absences with the Head of school in advance (e.g. family holidays, special occasions) by email: [office@berkhampsteadschool.co.uk](mailto:office@berkhampsteadschool.co.uk). The Head of School will respond to you.

***Some of the more common illnesses, where your child should stay at home, are shown below:***  
**Coughs and colds**

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes. Encourage your child to throw away any used tissues and to wash their hands regularly. If your child has a persistent, chesty cough they may not be able to cope with the demands of a busy school day.

**High temperature**

If your child has a high temperature, keep them off school until it goes away.

**Ear infection**

If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better, or their high temperature goes away.

**Sore throat**

You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. A sore throat and a high temperature can be symptoms of other illnesses.

**Vomiting and diarrhoea**

Children with diarrhoea or vomiting should stay away from school for 48 hours after their last bout of diarrhoea or vomiting.
